

Foresters member benefits

Unique benefits for everyday families

At Foresters Financial™, we are not only a life insurance provider; we are an international financial services provider with more than three million clients and members in Canada, the United States and the United Kingdom. We provide life insurance, protection, savings, retirement and investment solutions that help everyday families achieve their financial goals. Through our purpose, we also help them make a lasting difference in their family's lives and communities.

Grants and Scholarships

We believe that by helping ease the financial burden that comes with some of life's biggest challenges and momentous events, we may help you and your family continue to get more out of life.

Competitive Scholarships

Each year, the Foresters Competitive Scholarship Program² provides almost \$2 million dollars for tuition scholarships for higher learning in the US and Canada. Eligible members and their families with minimum grades of 70% (Canada) or 2.8 grade point average (US) and a minimum of 40 hours of community service may apply.

Emergency Assistance Program

Emergency grants may be available to provide short-term, temporary financial assistance to members affected by significant personal hardship, disaster or large-scale emergency. This benefit is a one-time, per disaster, per household payment.

Foresters Community Grants Program

The Foresters Community Grants program provides members with financial grants to organize volunteer and fun family activities within their communities. Our members organize thousands of volunteer and fun family activities each year for other Foresters members and their families that have a positive impact on communities – and Foresters provides the tools and financial resources to do so.

Orphan Scholarships

This benefit may provide the children of deceased members with a renewable scholarship for higher learning for up to four years to cover tuition and maintenance. Scholarship amounts may range from \$1,500 per year to \$6,000 per year.
