

## Get More Done with InstaWrite<sup>sm</sup>

InstaWrite<sup>sm</sup> improves the traditional life insurance sales experience by featuring an almost **instant health assessment.** 

This new tool delivers a **'Qualified'** or **'Not Qualified'** result in 60 seconds\*. This gives agents the opportunity to schedule more appointments and close more business throughout the day.

InstaWrite<sup>sm</sup> expedites the point-of-sale process by generating a decision while you're in the client's home.

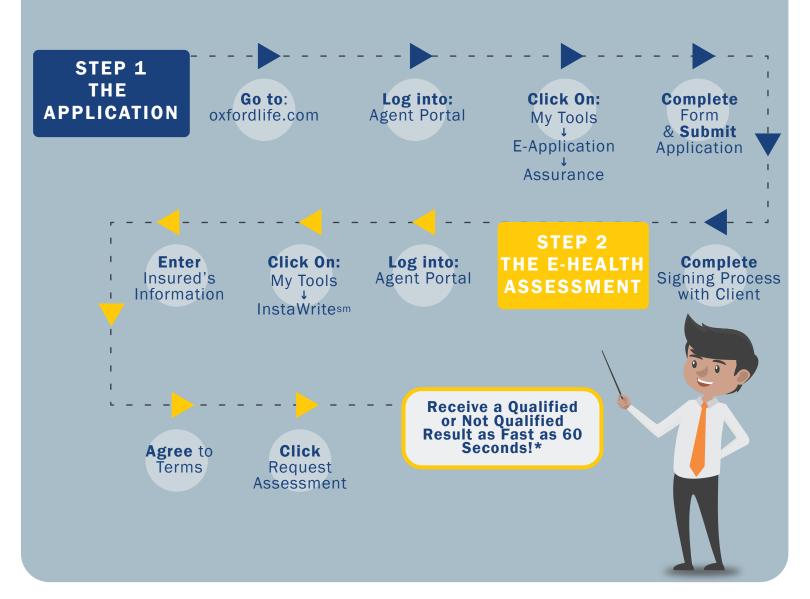

Paper or e-applications may be used with the InstaWrite<sup>sm</sup> process. Applications may be emailed to fastapps@oxfordlife. com, uploaded via the agent portal, or faxed to 1-877-584-2777.

\*60 seconds is the average length of time for a qualified /not qualified result. This can be done directly by clicking on the **Health Assessment** tab in the **My Tools** section of the agent portal, or you may contact our Agent Services team to complete the health assessment by phone.

## **EASY 2-STEP PROCESS**

Get A Qualified/Not Qualified Result In 60 Seconds\*

<sup>\*</sup>The average length of time for a qualified/not qualified result for the e-health assessment is less than one minute. The health assessment may also be completed by phone and takes less than 8 minutes.

If you are a JIT agent (contracted but not appointed), your first InstaWrite<sup>sm</sup> health assessment must be conducted via telephone by contacting Agent Services at 833-705-4019.
